A photograph of two men in formal black tuxedos standing in front of a building. The man on the left is wearing a white shirt and a black bow tie, while the man on the right is wearing an open white shirt. They are both looking towards the right. The building behind them has white columns and is decorated with large, cascading arrangements of white flowers, including roses and hydrangeas. A palm tree is visible on the left side of the frame. The overall scene is bright and elegant, typical of a wedding celebration.
